

A detailed black and white map of a city grid, likely from a historical or planning document. The map shows a dense network of streets and building footprints. A prominent red circle is drawn over a specific intersection in the upper right quadrant of the map. In the top left corner, there is a north arrow symbol consisting of a circle with a cross inside, and the letter 'N' positioned above it. The map includes various street names and labels, though they are small and difficult to read. The overall style is that of a technical or archival map.
